

~~TOP SECRET~~

Director of Administration

 4 of 7
10 April 1956

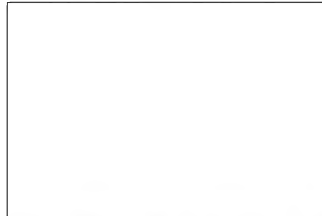

25X1

Communications Officer

Communications Personnel Assigned to Base A and to Reserve Team

1. To confirm several discussions relative to the designation of communications personnel assigned to Base A and the Reserve Team, the following listing is presented for final administrative action:

- a. Communications personnel currently located at Base A and scheduled to remain are as follows:

25X1

- b. Communications personnel to be deployed to Base A with the third phase group are as follows:

25X1

- c. The Base A team engineer has been training at the Hanu and Woldridge plant and must deploy to Base A independently from the third phase group and at such time as deemed appropriate by this office. He will report to Headquarters for processing out upon completion of training. He is:

25X1

- d. The Communications Reserve Team assignees will normally work in Headquarters until such time as operational requirements dictate their presence at one of the overseas bases or at Watertown. These personnel must have passports, up-to-date inoculation records and be able to move overseas promptly as needed. The personnel assigned to the Communications Reserve Team are listed as follows:

280280100
